OUTWOOD'S PLAYGROUND

Having fun together!

Examples of the children's work from Jubilee week

Lunchtime at Outwood

The children at Outwood have loved playing numerous sports at lunchtime provided by Sports Cool and helped by the sports ambassadors. The children have had fun playing football, hockey, basketball, lacrosse, cricket, rugby and playing with skipping ropes. Uriel, year 3, reported that the sports "make my lunchtime fun". Dan, one of Sports Cool's sports coaches, commented how "it feels good that the children are learning new skills."

All the sports are fun but that's not the only thing the children do during lunchtime. The children also have a great time with their friends playing hide and seek, two truths and a lie and so much more. We love lunchtime at Outwood!

Back during the week beginning 23rd May, the children at Outwood celebrated Queen Elizabeth II's Platinum Jubilee, which marked her seventy years on the throne, her seventy years' service to the country and the Commonwealth. Outwood culminated all the work they had completed throughout the week with their own street party and afternoon tea. Mrs Walton reflected after the event saying, "I was very excited and I was very proud. It brought back memories from when I was a child myself."

During Jubilee week the children learnt about and created a timeline of the Queen's life. Year 3 enjoyed finding out about the Queen's corgis and created their own stories.

Year 4 learnt about the Queen's changing wardrobe over the decades and created a double page spread (which year 4 love to do!). They even learnt where the Queen keeps her crown jewels. In year 1, the children were making predictions about the story, The Queen's Handbag. The children predicted what was going to happen next in the story...where would the Queen's handbag go next?

What a fabulous week everyone had!

SPORT'S WEEK MEET THE TEAM

Outwood's famous Sport's Week

Outwood's legendary sports' week took place this year, during the week beginning 20th June. The children at Outwood had the opportunity to learn new sports such as fencing and glow in the dark dodge ball, whilst also practising well-loved sports like football, tennis and athletics.

A particular favourite was fencing. The children took part in fencing in the hall. They wore helmets and had a plastic sword with a soft nib on the end. Everyone had a turn to duel. Misael from Year 4 reported that he "really enjoyed fencing." Jax, also from Year 4, said that "it was a fun week!"

Another popular sport during the week was Ultimate Frisbee. One child said that "frisbee was my favourite sport in sport's week". The children were taught to aim the frisbee at a target. Everyone loved it!

Learning how to duel in fencing and how to play tennis

Learning new sports: frisbee and glow in the dark dodge ball

Meet the team

BY MRS CLAYTON

A while ago, I sent a message out to all the teachers to ask their children who might be interested in joining a new club: a newspaper club. I was both amazed and super proud of the response. Within a few days, I was inundated with requests! I now had a tricky job on my hands; I had to choose a small group of children from across the school from a list of approximately 50 children! This was a very hard job, however with careful consideration I managed to select our very first group of children to become the face of Outwood Observer.

I am proud to introduce:

Rayan yr2 "My name is Rayan and I love playing football."

Amelia yr2 "My name is Amelia and I like playing with my friends."

Theo yr2 "My name is Theo and I love hanging out with my friends."

Cree yr2 "My name is Cree and my favourite sport is swimming."

Imogen yr3 "My name is Imogen and I like playing sports."

Lucy yr3 "My name is Lucy and I love baking and swimming."

Ava yr 3 "My name is Ava and I love playing tig."

Ella-Grace yr 4 "My name is Ella and I like skating".

Zoya yr4 "My name is Zoya and I love art."

Zax yr4 "My name is Jax and I love sports and art."

Jackson yr 4 "My name is Jackson and I like spending time with my friends."

Harry yr 5 "My name is Henry and I love acting."

George yr 5 "My name is George and I like drawing faces."

Khadeeja yr 5 "My name is Khadeeja and I love all sports."

Owen yr 5 "My name is Owen and I love sports and maths."

Eva yr 5 "My name is Eva and I love gymnastics."
