Update from the Headteacher

There is so much to share with you regarding events that have taken place in March. As always, I am so proud of our children and all they achieve. This month the children have continued to take part in many sporting events. This includes netball, football and gymnastics competitions with other Stockport schools. In all events, our children were commended for their sporting spirit and skill. Also, it has been lovely to see our children's achievements from outside of school too. We always encourage our children to share these in our Friday celebration assemblies so please send in anything to school that the children are proud of to share.

Outwood loves science!

This month the children took part in National Science Week. This year the theme was 'Time'. They undertook lots of STEM (Science, Technology, Engineering, Maths) activities in class which linked across the curriculum. These included a VR headset workshop, a construction challenge using Lego and taking part in a climate change debate at the Town Hall. Outwood also worked in collaboration with GreenPeace and thousands of schools and homes around the country in the 'Big Plastic Count'. The Eco Council will be continuing to monitor our use of plastic in school as part of their drive to reduce single use plastics and help the environment.

Thank you for your support!

This term our PTA have continued to raise much needed funds for the school and you have continued to support them. We thank you all! Our Mother's Day Tea was the most well attended one that we have ever had! It is such a lovely afternoon and together we raised over £600. The PTA couldn't have done this without your much-valued support. Please see the PTA newsletter below for more info on their fundraising goals and upcoming events.

Total attendance for March was 92.1%
The winning class was Reception with 94% Well done!

The class attendance figures for this academic year so far is:

FS2: 91.5%
Year 1: 91.8%
Year 2: 95.2%
Year 3: 90.8%
Year 4: 94.6%
Year 5: 92%
Year 6: 91.5%

School Lunches

We are really happy to announce the launch of our new online ordering system, School Grid which helps the children get the meals they want and works alongside our cashless system ParentPay. You should now be able to view the menus at home with your child and order their choice ensuring your child gets the meals they like each day. We will be offering an opportunity for you to come in and taste a sample of our menu so that we can get your feedback.

World Book Day!

World Book Day was lots of fun this year! Not only did the children celebrate their love of reading, the staff also retold the classic children's book 'The Hungry Caterpillar' in a surprise assembly on the day where we all dressed as parts of the story, from the hungry caterpillar to a piece of watermelon!! An assembly they will never forget!
